“Mentor and Mingle” Event

Please join Professional Women in Healthcare for an evening of speed mentoring and networking at the outside seating area at Jewel Restaurant in Melville, NY.

This fun and innovative event connects professionals in small networking groups and is modeled after “speed dating” with the goal of developing a network that:

• Provides support to women in the workplace
• Provides an opportunity to identify and meet other mentors and mentees
• Network with leaders and other professionals in your field

The mentors and mentees will have an opportunity to individually meet in 5-minute intervals to get to know one another and share experiences or advice and will be followed by a general networking session. Don’t forget your business cards!

VENUE:
Restaurant founder Tom Schaudel is at it again. The proprietor of Mattituck’s a Mano, Southold’s A Lure, and Syosset’s Cool Fish, has been one of Long Island’s most attention-getting restaurateurs, and now Route 110 in Melville is home to his latest creation, Jewel.

Jewel, much like its name, sparkles in its decor and its farm-to-table style food is a hit with locals.

Schedule of events:
5:30 – 6:00 Registration
6:00 – 7:00 Speed Mentoring
7:00 – 8:00 Networking
